***Purpose:*** To discuss and decide on Supervisor Lori Lewis' request for a township phone & discuss the interest in the library board vacancy.

***Supervisor Lori Lewis:***

1. Lewis expressed her need for a township cell phone to allow separation from personal phone calls and work calls. She currently does not have a 989 number and would like to be able to provide a cell number that is local to those who need to reach out when she is out of the office. Phone would be purchased with the township credit card at \$125 and a reoccurring monthly fee of \$25 would continue to be charged.
2. Library Vacancy has been posted on Facebook and a lot of interest has been drawn.

***Agenda Items Approved:***

Barajas/Salsbury      Purchase a cell phone for Supervisor Lori Lewis, and pay monthly bill, to be used for township business.
